- a) the Search Report received in the corresponding application pending in the European Patent Office and an English language translation thereof; and
- b) the documents cited by the European Patent Office in the Search Report, (except for the document already cited) listed on the attached Form PTO-1449.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any reference mentioned herein constitutes prior art, or that the references listed, severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

STATEMENT UNDER 37 C.F.R. 1.97(e)

The undersigned states that each item of information contained in this disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

Please charge the petition fee for filing this Information Disclosure Statement in the amount of \$180.00 to Deposit Account No. 13-3848. This paper is also authorization to charge any insufficiency of fees due with this filing to Deposit Account No. 13-3848. Triplicate copies of this paper are submitted.

Respectfully submitted,

By
